

CALIFORNIA STATE UNIVERSITY, FULLERTON
DEPARTMENT OF CHEMISTRY AND BIOCHEMISTRY

RESEARCH EXPERIENCES FOR UNDERGRADUATES

JUNE 1 - AUGUST 7, 2009

A P P L I C A T I O N F O R M

1. Name: _____ Male Female SS# _____ - _____ - _____
2. Address: (present) _____
 (permanent) _____
 if staying at temporary housing, what date do you expect to move back to permanent residence? _____
3. E-mail address: _____
4. Permanent home phone number: () _____
5. Phone number where you may be reached in March/April/May: () _____
6. Date of Birth: _____
7. Check One: US Citizen US Permanent Resident Other (Explain) _____
8. Check if applicable: African-American Asian Hispanic Pacific Islander Native American
9. College(s) and University(ies) attended, with dates:

10. Current Academic Status: Major: _____ Sophomore Junior Senior
11. Expected Graduation Date: _____ Overall GPA _____ Chem GPA _____
12. List courses taken in college and grades earned. (Indicate those you are presently taking.)

<u>Chemistry</u>	<u>Course</u>	<u>Grade</u>	<u>Other</u>	<u>Course</u>	<u>Grade</u>
General	_____	_____	Mathematics	_____	_____
Organic	_____	_____		_____	_____
Analytical	_____	_____	Physics	_____	_____
Physical	_____	_____	Languages	_____	_____
Other	_____	_____	Other Sciences	_____	_____

13. Date you could begin research:_____

14. Research area(s) of interest (in order of preference):

A. _____

B. _____

C. _____

D. _____

15. Do you plan to attend:

a.) graduate school? Yes No or b.) medical or professional school? Yes No

If "yes" to either, please indicate field of interest _____

16. Names, titles, and addresses of two persons you have asked to write letters of recommendation (at least one person who can comment on your laboratory skills). Have letters sent directly to the address below.

_____	_____
_____	_____
_____	_____
_____	_____
_____	_____

17. On a separate page, state your reasons for wanting to do research. Include previous scientific employment, lab experience, and/or research experience as well as the relevance of this program to your career goals. One page maximum.

All materials should be sent to:

Dr. Mark S. Filowitz
NSF-REU Co-Director
California State University, Fullerton
P.O. Box 6850
Fullerton, California 92834-6850
